Definitions
In these rules—

**BCompSc major** means a prescribed combination of 16 units from the BCompSc course list;

**BSc extended major** means a prescribed combination of 24 units from the extended major section of the BSc course list;

**BSc major** means a prescribed combination of 16 units from the major section of the BSc course list;

**BSc minor** means a prescribed combination of 8 units from the minor section of the BSc course list;

**UQ minor** means a prescribed combination of 8 units from the UQ minor section of the BSc course list.

Program requirements
(1) To complete the program, a student must complete 64 units, comprising—
   (a) 32 units from the BCompSc course list, comprising—
       (i) 16 units for compulsory courses; and
       (ii) 16 units for either—
           (A) a BCompSc major, or
           (B) no major, comprising—
               (a) 2 units for Computer Science Extension Course, and
               (b) 8 units from Computer Science Introductory Electives, and
               (c) 6 units from Computer Science Advanced Electives; and
   (b) 32 units from the BSc course list, with a minimum of 10 units of courses at level 3 or higher, comprising—
       (i) 2 units for core courses (excluding STAT1201 and STAT1301), and
       (ii) either—
           (A) 16 units for a BSc major, or
           (B) 24 units for a BSc extended major, and
       (iii) the balance of units from the BSc course list (excluding courses in the UQ minors list).

(2) Unless a different intention appears in these rules, a student must comply with the program rules for both constituent degrees.

Program plan
(1) A student must not complete the Computer Science minor, major or extended major or Data Science minor in the BSc component of the dual program.

(2) A student may complete a BSc minor.

Special rules
4.1 Courses in both course lists
(1) Where a course is compulsory in one component of the dual program but not the other, it must be counted towards the component in which it is compulsory.

(2) Where a course is compulsory in both a BSc major, extended major or minor and a BCompSc major, it may be counted towards either—
(a) the BSc major, extended major or minor and substituted in the BCompSc major by a course at the same level or higher from either the BCompSc Computer Science Introductory Electives list or the BCompSc Computer Science Advanced Electives list; or

(b) the BCompSc major and substituted in the BSc major, extended major or minor by a course at the same level or higher from the BSc course list (excluding courses in the UQ minors list).
