Master of Entrepreneurship and Innovation (MEI)

1 Enrolment requirements
To enrol in the program, a person must—
(a) hold—
   (i) a bachelor degree or equivalent in the same discipline, or
   (ii) a bachelor degree in a different discipline, and have completed at least three years full-time (or equivalent) relevant work experience, approved by the executive dean, or
   (iii) the Graduate Certificate in Entrepreneurship and Innovation from this university (or equivalent), or
   (iv) the UQx Corporate Innovation MicroMasters® credential with a percent grade of at least 65% in the Corporate Innovation Capstone Assessment, and have completed at least three years full-time (or equivalent) relevant work experience, approved by the executive dean; and
(b) satisfy the executive dean that, based on the person’s academic record and relevant work experience, the person is suitably qualified for admission.

2 Program requirements
To complete the program, a student must complete 24 units from the MEI course list, comprising—
(a) 8 units for part A, and
(b) 8 units from part B, which may comprise a field of study, and
(c) 4 units for part C, and
(d) 4 units from part B and/or part D, or from other postgraduate course list(s).

3 Maximum credit for other study
The maximum credit that the associate dean (academic) may grant to a student for other study is 12 units.

4 Special rules
4.1 Award of the Graduate Diploma in Entrepreneurship and Innovation
A student who withdraws from the program after completing 16 units from the MEI course list may be awarded the Graduate Diploma in Entrepreneurship and Innovation.
