

Bachelor of Nursing/Bachelor of Midwifery 2018 Dual Degree Program Structure

It is important that you read and understand the following information:

Students are required to follow the program of study on the following page to ensure all requirements are met in order to graduate.

Please note: Students exiting early with one component of a dual degree must complete the single degree requirements of that component. Students will then be required to follow the single degree rules to complete the remaining component from that dual degree.

PROGRAM GUIDELINES

- You must complete a total of 64 units for the program.

Bachelor of Nursing Section Requirements:

- 38 units from the BN course list, excluding NURS1101, NURS1103 and NURS3102.

Bachelor of Midwifery Section Requirements:

- 26 units from the BMid course list, excluding MIDW1105 and MIDW3102.

**BACHELOR OF NURSING/BACHELOR OF MIDWIFERY
DUAL DEGREE PROGRAM STRUCTURE**
