

Master of International Economics and Finance/Master of Commerce 2019 Dual Program Structure

It is important that you read and understand the following information.

To be eligible to enrol in the Master of International Economics and Finance/Master of Commerce you must satisfy the entry requirements as outlined in the program rules.

The following information is designed to help you plan your enrolment. Please note it is intended as a guide only; you should check the scheduling of courses each semester. Further information can be found in the official rules and course lists under the **Program Rules and Requirements** link on the Courses and Programs website: <http://www.uq.edu.au/study/>

You are not required to submit this program plan for approval. However, if you have any questions or concerns about meeting degree requirements, please contact the School of Economics at econ.pgrad@uq.edu.au.

This is a suggested study plan only. There may be other ways to plan your progression through this program.

The above study plan ensures prerequisite courses are completed first. Students should not attempt courses where they have not completed the UQ pre-requisite(s) or an alternative comparable course completed at undergraduate or postgraduate level.

For students wishing to study the Applied Finance major course ACCT7106 as an elective, please ensure you study the pre-requisite course of ACCT7101 prior to enrolment in this course.

Please refer to the **Frequently Asked Questions** for additional information on pre-requisites, exemption or credit for previous study, exchange study, non-scheduled elective approval etc.
