

Important Information

It is your responsibility to ensure that you complete all the requirements for each component of this dual program in order to graduate with both degrees. The following information is designed to help you plan your enrolment to meet this goal.

Selecting Plans in mySI-net

A plan is a prescribed combination of courses within a program being either a field of study, major, extended major, specialisation, minor or extended minor.

Ensure the plans for your program are correctly listed in [mySI-net](#). If you require assistance selecting your plan(s), follow these [instructions](#).

You may need to amend this study planner depending on the plan(s) that you have chosen to study. If you require assistance planning your program or have concerns about meeting program requirements, contact the relevant faculty below:

BEL Faculty: <https://bel.uq.edu.au/contact>

HASS Faculty: <https://hass.uq.edu.au/contact>

Exiting Early

Students exiting early with one component of a dual degree must complete the single degree requirements of that component. Students will then be required to follow the single degree rules to complete the remaining component from that dual degree.

Program Requirements

You must complete a total of 64 units for the program.

Bachelor of Economics Requirements:

- 32 units from the BEcon List including –
 - 16 units of all BEcon Core Courses; and
 - Either:
 - 16 units for one Major from BEcon Majors (must Include 8 units at level 3); or

Bachelor of Arts Requirements:

- 32 units from BA List (courses listed under BA majors) including either–
 - Two majors of 16 units each; or
 - One extended major of 24 units plus a BA minor of 8 units

To ensure you are meeting the requirements, you should refer to the Program Rules found on UQ's [Programs and Courses website](#) for the program, within the 'Courses and requirements' button.

Program Guidelines

This planner is intended as a guide only and is based on current scheduling of courses. Students should note that scheduling can change from year to year. You are advised to check the scheduling for the current year and contact the relevant faculty for advice if course scheduling has changed.

Please note students must undertake the BA component of the program in a field other than Economics.
