

Important Information

It is your responsibility to ensure that you complete all the requirements for each component of this dual program to graduate with both degrees. The following information is designed to help you plan your enrolment to meet this goal.

Selecting Plans in mySI-net

A plan is a prescribed combination of courses within a program being either a field of study, major, extended major, specialisation, minor or extended minor.

Ensure the plans for your program are correctly listed in [mySI-net](#). If you require assistance selecting your plan(s), follow these [instructions](#).

If you require assistance planning your program or have concerns about meeting program requirements, contact the HASS Faculty for advice: <https://hass.uq.edu.au/contact>
