

Important Information

It is your responsibility to ensure that you complete all the requirements for each component of this dual program in order to graduate with both degrees. The following information is designed to help you plan your enrolment to meet this goal.

The Program Requirements, available on [UQ's Programs and Courses](#) website, outline the requirements to complete the dual program.

Program Guidelines

Bachelor of Music (Honours) component:

48 units from the BMus(Hons) List, comprising:

- Students must complete 26 units for Core Courses; and
- 12 units for Flexible Core Courses; and
- 10 units for Research Courses.

Bachelor of Science component:

- 32 units from the BSc course list, with a minimum of 10 units of courses at level 3 or higher, including —
 - 4 units for core courses, and
 - 16 units for a major or 24 units for an extended major, and
 - the balance of units from the BSc course list
- Students must complete at least one major or extended major.

Note: UQ minors are offered in the single BSc program only and are not available in the BSc dual program.

Exiting Early

Students exiting early with one component of a dual degree must complete the single degree requirements of that component. Students will then be required to follow the single degree rules to complete the remaining component from that dual degree.
