

This Program Planner is for Bachelors of Arts/Social Science (BA/BSocSc) students starting in 2024

Important Information

- At UQ we refer to your degree as a **program** and a subject as a **course**.
- Most UQ courses are usually 2 units in value.
- If you are a **full-time student**, you will undertake 8 units (4 courses) each semester.
- A course can only count once towards your program.

BA/BSocSc Program Requirements

Your BA/BSocSc comprises 64 units that you will complete over four years.

Bachelor of Arts (BA) component requirements:

- Complete **32 units** from either of the two options –
 - Option 1 – Two BA Majors (16 units each); OR
 - Option 2 – One BA Extended Major (24 units) and one BA Minor (8 units)

Bachelor of Social Science (BSocSc) Requirements:

- Complete **32 units** comprising –
 - 16 units for BSocSc Core Courses; and
 - 16 units for a BSocSc Major

Please note: Due to course overlap with the BSocSc component, a student cannot undertake the Sociology Major or Minor in the BA component of the dual program.

Global Experience

Students who wish to undertake on overseas exchange should start planning early in their program. Please note that the BSocSc Core Courses SOSC3201 (Sem 1) and SOSC3202 (Sem 2) must be taken on campus at UQ, in consecutive semesters. Students requiring assistance with planning for exchange should contact the Faculty of Humanities and Social Sciences. For more information on due dates and the application process please see the [Careers and Employability Global Experience](#).

Selecting Plans in mySI-net

A plan is a prescribed combination of courses within a program being either a Minor (8 units), Major (16 units), or Extended Major (24 units). Ensure the plans for your program are correctly listed in [mySI-net](#). If you require assistance selecting your plan(s), follow these [instructions](#).

Exiting Early

Students exiting early with one component of a dual program must complete the single program requirements. Students will then be required to follow the single program rules to complete the remaining component of that dual program.

How to use this Program Planner

This Program Planner assists you in drafting an enrolment plan to complete the requirements of a BA/BSocSc dual as a full-time student over four years.

Read the program rules, then add the courses that you are required to complete for both components. You can view the list of courses for your BSocSc Core Courses, BSocSc Major and BA Majors or BA Extended Major and BA Minor in the [BA/BSocSc Program Requirements](#) on the Programs and Courses website.

Don't forget to save your BA/BSocSc Program Planner document to your files.
