2025 Dual Degree Study Planner
Bachelor of Business Management/
Bachelor of Communication

THE UNIVERSITY OF QUEENSLAND AUSTRALIA | CREATE CHANGE

Important Information

It is your responsibility to ensure that you complete all the requirements for each component of this dual program in order to graduate with both degrees. The following information is designed to help you plan your enrolment to meet this goal.

Selecting Plans in mySI-net

A plan is a prescribed combination of courses within a program being a Major (16 units). Ensure the plans for your program are correctly listed in mySI-net. If you require assistance selecting your plan(s), follow these instructions.

You may need to amend this study planner depending on the plan(s) that you have chosen to study.

Exiting Early

Students exiting early with one component of a dual program must complete the single program requirements of that component. Students will then be required to follow the single program requirements to complete the remaining component from that dual program.

Program Requirements

You must complete a total of 64 units for the program.

Bachelor of Business Management (BBusMan) component:

* 32 units from the BBusMan course list including –
  * o   16 units for all BBusMan Core Courses; and
  * o   16 units for one Major from BBusMan Majors

Bachelor of Communication (BCommun) component:

* Complete **32 units** comprising:
  * o   16 units for all BCommun Core Courses; and
  * o   16 units for one Major from BCommun Majors

The Program Requirements outline the requirements to complete the dual program and should be read in conjunction with the course list for each component of the dual program. Please refer to the program and course requirements for more information.

Program Guidelines

This planner is intended as a guide only and is based on current scheduling of courses. Students should note that scheduling can change from year to year. You are advised to check the scheduling for the current year and contact the relevant faculty for advice if course scheduling has changed.

Global Experience

If you are planning on completing an overseas exchange, you may have to amend this plan. Students who would like an exchange experience in their program are encouraged to seek advice from their respective faculties early in their program (for BEL Faculty, contact International Mobility Team on exchange@bel.uq.edu.au and BEL Student Administration Team on bel@uq.edu.au). Please also familiarise yourself with the Academic Considerations for BEL Faculty: https://bel.uq.edu.au/academic-considerations and be aware of the exchange deadlines: https://employability.uq.edu.au/global-experiences
