

2026 Dual Degree Study Planner

Bachelor of Computer Science / Bachelor of Laws (Honours)

THE UNIVERSITY
OF QUEENSLAND
AUSTRALIA

CREATE CHANGE

Important Information

It is your responsibility to ensure that you complete all the requirements for each component of this dual program in order to graduate with both degrees. The following information is designed to help you plan your enrolment to meet this goal.

Selecting Plans in mySI-net

A plan is a prescribed combination of courses within a program being either a field of study, major, extended major, specialisation, minor or extended minor.

Ensure the plans for your program are correctly listed in [mySI-net](#). If you require assistance selecting your plan(s), follow these [instructions](#).

You may need to amend this plan depending on your choice of major.

Exiting Early

Students exiting early with one component of a dual program must complete the single program requirements of that component. Students will then be required to follow the single program requirements to complete the remaining component from that dual program.

Global Experience

If you are planning on completing an overseas exchange, you may have to amend this plan. Students who would like an exchange experience in their program are encouraged to seek advice from their respective faculties early in their program (for BEL Faculty, contact International Mobility Team on exchange@bel.uq.edu.au and BEL Student Administration Team on bel@uq.edu.au). Please also familiarise yourself with the Academic Considerations for BEL Faculty:

<https://bel.uq.edu.au/academic-considerations> and be aware of the exchange deadlines:

<https://employability.uq.edu.au/global-experiences>.

Require Further Assistance?

If you require assistance planning your program or have concerns about meeting program requirements, contact the relevant Faculty for advice:

Program	Faculty	Contact Information
Bachelor of Computer Science	EAIT Faculty	enquiries@eait.uq.edu.au
Bachelor of Laws (Honours)	BEL Faculty	bel@uq.edu.au

Program Requirements

The Program Requirements outline the requirements to complete the dual program and should be read in conjunction with the course list for each component of the dual program. Please refer to the [program and course requirements](#) for more information.

You must complete a total of 80 units for the program.

Bachelor of Computer Science (BCompSc) component:

- 32 units from the BCompSc List comprising –
 - 24 units for all BCompSc Core Courses, and
 - 2 to 4 units from Computer Science Introductory Elective Courses, and
 - 4 to 6 units from Computer Science Advanced Elective Courses

BCompSc students should discuss their enrolment plan with an academic adviser. A list of academic advisers is available at: <https://eecs.uq.edu.au/current-students/academic-advice/bachelor-computer-science>

CREATE CHANGE

Bachelor of Laws (Honours) (LLB(Hons)) component:

- 48 units from the LLB(Hons) List comprising –
 - 36 units for all LLB(Hons) Core Courses, and
 - 12 units from LLB(Hons) Flexible Core Courses.

Course Scheduling

This planner is intended as a guide only and is based on current scheduling of courses. Students should note that scheduling can change from year to year. You are advised to check the scheduling for the current year and contact the relevant Faculty for advice if course scheduling has changed.
